Prior to April 1, 2007, performance presented represents that of the Limited Duration Composite, which does not contain any wrap fee accounts. For this period, gross returns were reduced by transaction costs. **The attached disclosure is an integral part of this performance presentation. Past performance is not indicative of future results.**

Prior to April 1, 2007 returns were from institutional non-bundled accounts. The minimum account size for the composite is \$75 thousand. Prior to April 1, 2007 the minimum account size was \$3 million.
